CUB Fees paid

2014-2015 £88 YTD

2013-2014 £132

At present, the CAA are approx. breaking even for 2014/2015. Although the budget shows a £594 deficit, we have purchased 6 bow sets this year amounting to £640, which is over and above our normal expenditure.

The fees for other Counties (above), are all I could source but I think it gives a good impression for the whole of the UK.
